5X1A	2.	Commento Another report of source of paragraph 1 indicated that, on 25X1A 13 March, elements of the 78th Gds Hv Tank SP Regt were loaded in Wittenberg and that the material loaded included SP gun is believed that this train, too, went to Werder-Markendorf rather than Dessau.
5X1A	3.	Comment, This train is believed to have also come from Werder-Markenderf.
5X1A	4.	Comment. Presumably, replacement tanks from the tank repair shop of the GOFG in Kirchmoeser.
5X1A	5.	Arty Brig (US) of the XXVIII Gds Mtz Rifle Corps which presumably came from, or went to, the OHRDRUF troop training grounds for combat firing.
5X1A	6.	Comment. The tanks possibly belong to the 91st Tank Regt of the 9th 25X1A Mecz Div from Luebben. Another source observed intensive training activity by the 9th Mecz Div at Weisswasser from 10 to 26 March. See
5X1A	7.	Comment. Another report by another source indicated that this train carried units of the 64th Gds Hv Tank SP Regt of the 8th Gds Mecz Div to
